

Referral Incentive!

Moore Mechanical is hiring!

As a Moore Mechanical employee, you can receive bonuses for referring **qualified lead/licensed technicians**.

Here's how it works:

- Do you know a **lead or licensed HVAC or Plumbing technician**, with experience?
 - Let them know we are hiring and that they should chat with us!
 - Send them either to our website or have them reach out directly to HR @ 231.651.1695.
 - Remind them to throw your name out when chatting about the opportunity!
- If the tech is hired, you will receive a **\$250.00 referral bonus** on the new hire's first day of work at Moore Mechanical (this will be wrapped up into that week's paycheck).
- If it works out and the tech is still employed by Moore Mechanical after 6 months, you will receive another **\$250.00 referral bonus**.

Who do you know that is qualified to work at Moore Mechanical!?
